Prevention And Treatment of Inflammatory Bowel Disease
Attorney Docket No. NLIGHTS-06903
This information is in accordance with 37 C.F.R. 1.63(d)(iv)

DECLARATION FOR PATENT APPLICATION

As a below-named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated next to my name. I believe I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled **Use of Biologically Active Vitamin D Compounds For The Prevention And Treatment of Inflammatory Bowel Disease**, the specification of which was filed on **12/21/99** as Application Serial No. **09/469,985**. I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, § 1.56(a).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both, under § 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
